Habitat for Humanity

- We build because we believe that everyone, everywhere should have a healthy, and an affordable place to call home.
- When a family helps build or improve a place, they can call home, they are also building a better community, and a better life for themselves.
- Your donation will help families in need of a decent place to build long-term financial security. With an affordable, stable home, families have more to spend on food, medicine, childcare, education and other essentials. Your support can help us do more in all the many ways that Habitat builds.
- Thanks to you, Habitat is transforming lives around the world

Home is the Key

- We believe that everyone should have a safe, affordable place to call home.
- Families partner with Habitat for Humanity in the U.S. and around the world to build better lives for themselves and their children.
