

Sustainable JC

Resilient Future

Manuel Gonzalez F

“We cannot solve our problems with the same thinking we used when we created them.” Albert Einstein

Mission

To educate, empower and activate community stakeholders, to make Jersey City NJ a more sustainable and resilient place to live and work.

Vision

For Jersey City to become the greenest, most sustainable and resilient city in New Jersey, with community stakeholders that are educated about and committed to environmental, economic and social justice.

Economic

Green Buildings across Jersey City. These include Residential, Commercial, Industrial, Municipal, Universities / Colleges, Schools and Hospitals.

Educate

we try to include the arts in our projects and activities AS MUCH AS POSSIBLE!! We feel that artists can help us to evolve some of our sustainability strategies

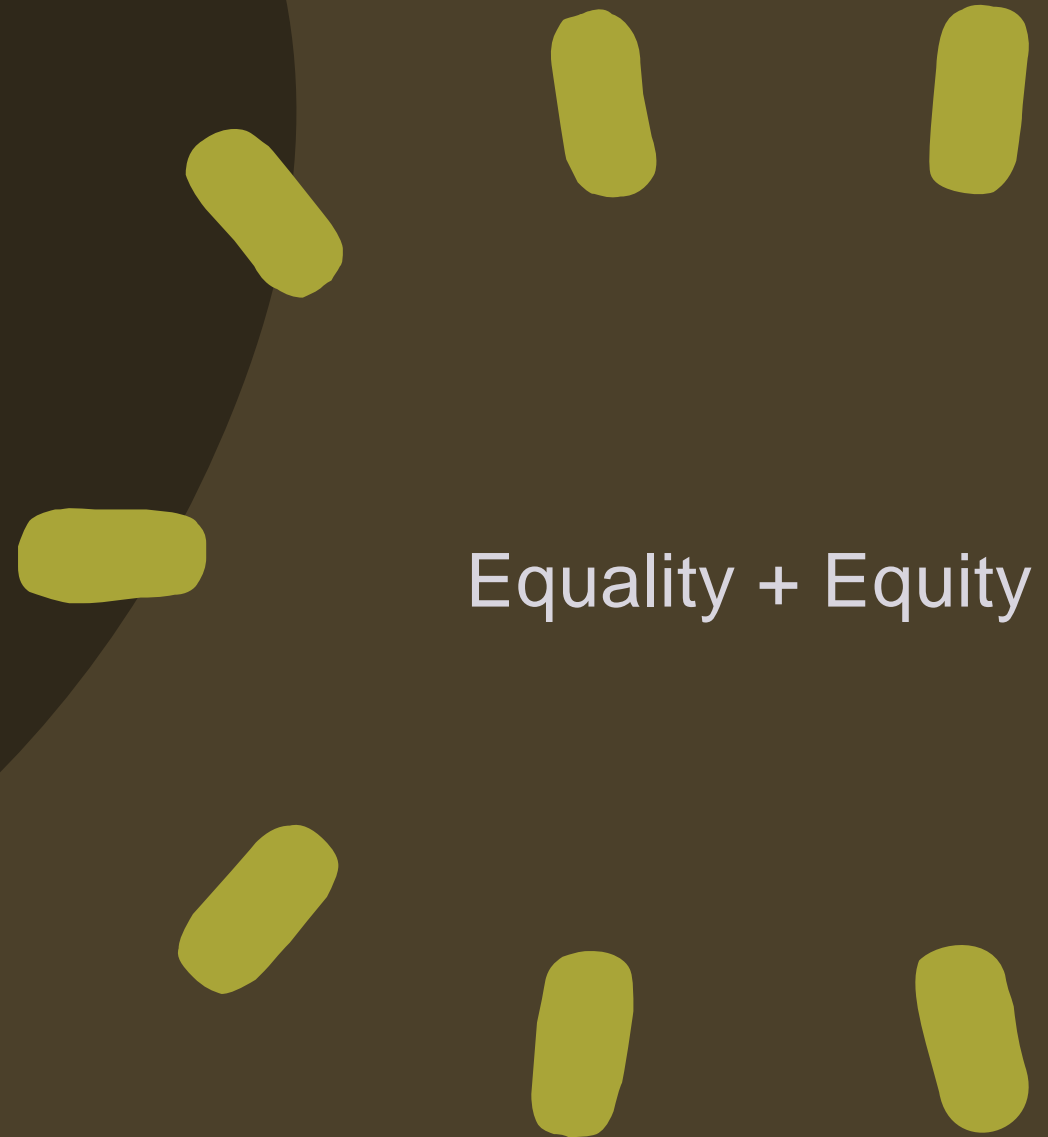

Environmental

Emissions Reduction, Green
Infrastructure and Waste Streams.

Social Justice

Equality + Equity
